Golfing galore!

## As of November the Sheraton Mallorca will offer a deluxe menu for golfers: customized, flexible – or not at all

*Palma de Mallorca, April 21, 2015* – Golfers will soon be spoilt for choice at the Sheraton Mallorca: In addition to the current and only offer, "Unlimited Golf", where green fees for the Arabella golf courses Son Vida, Son Muntaner and Son Quint were automatically included in the room price, the hotel will offer a whole range of additional options from November 2015 which can be adapted to suit individual inclinations and provide golfers with great flexibility when organizing their stay. As a result of these changes, it will be possible to book a hotel stay exclusive of golf from autumn onwards.

Golfers staying at the Sheraton Mallorca will be able to choose from a variety of golfing options. For instance, from November on, guests can book tee-off times individually as the mood takes them. The "Unlimited Golf" deal will remain on offer, but in two forms: one for the golf courses Son Vida and Son Quint and one for the golf courses Son Vida, Son Quint and Son Muntaner. Green fees may, for instance, be purchased in packs of three or five. The "Twilight Golf" offer is another interesting option for golfers, featuring reduced green fees from 2 p.m., 3 p.m. or 4 p.m. Then there's the "Replay Rate", a significantly reduced green fee for the second 9- or 18-hole round on the same day. Whatever option they choose, one thing is certain: Guests staying at the Sheraton Mallorca will always benefit from the best green fee prices (from €41).

All offers apply to the Arabella golf courses Son Vida, Son Muntaner and Son Quint. As before, the Sheraton Mallorca will reserve tee-off times on request.
